

11-13 OCTOBER
2022 ANTALYA

ISCC'22

INTERNATIONAL SYMPOSIUM
ON CONTAMINATION CONTROL

CALL FOR PAPERS

**Abstract due date
Extended to April 30th!**

It is a great honor for the Cleanroom Technologies Society of Turkey to host the 25th International Symposium on Contamination Control, ICCCS 2022 here in Antalya, Turkey. The symposium will be held in October 11-13th, 2022. Having started in 1972 in Sweden, this adventure took place in Korea, 2014; in Brazil, 2016; in The Netherlands, 2018 with the participation of about 400 contamination control and cleanroom experts from 5 continents, 50 different countries.

You can present your work as a paper and an oral presentation or as a paper and a poster presentation. Contributions will be ordered in a matrix consisting of Contamination Control Topic and Application:

TOPICS and SUB-TOPICS:

Standart and Regulations

- Standart Revisions
- Standart and Regulation App.
- New EU GMP Annex-1
- Case Studies
- Cleanroom Classification as per ISO 14644-1:2015
- Cleanroom Monitoring as per ISO 14644-2:2015
- Cleanroom Testing as per ISO 14644-3:2019

Healthcare

- Hospitals
- Operation Theater Contamination
- Operation Theater Design
- ICU & NICU
- Clinics
- IVF Contamination Control
- Stem Cell Labs
- Medical Devices and Cleanroom Requirements

Facilities

- Cleanroom Design
- Filtration
- Control
- Energy Saving
- HVAC Systems
- Single Use Equipment
- Transfer Systems
- Cleanroom Garments
- Airborne Contamination
- Surface Contamination
- Chemical Contamination
- VOC Contamination
- High Pressure Contamination

Lifescience

- Pharmaceutical Manufacturing
- Biocontamination
- Biosafety
- Pharma Trends
- Single Use Systems
- RABS
- Isolator Technologies
- Water Treatment and Cont. Control
- Fill-Finish Technologies
- Cleaning and Sterilization

Science & Research

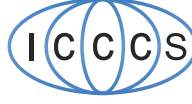

- Metrology
- Contamination Studies
- New Technologies
- Analyze
- Aerospace
- Research

Electronics & Semiconductor

- Electronics Production
- Lithography
- Semiconductor Cleanroom Facilities
- Smart Manufacturing
- Advanced Applications
- Microelectronics

Food & Beverages

- Clean Production
- Sterilization and Disinfection
- Controlled Environments

ABSTRACT

An abstract should be send in by email to scientific.committee@iscc2022.com
The submission should contain the following information:

- Author(s) and affiliation
- Title
- Max of 500 words
- List one or more Topic(s)
- List one or more Application(s)
- Oral presentation or poster

ABSTRACT DUE DATE

April 30th, 2022

PAPER

The Scientific committee will decide on the acceptance of the intended paper and presentation or poster. Together with the paper a bibliography of the intended presenter should be uploaded to designated page on ISCC2022.com. Links will be shared with accepted paper's contact person via e-mail.

Paper and bibliography should be send in before the 30th of May 2022. The presentation should be send in before the 1st of August 2022.

BIBLIOGRAPHY

In case of an oral presentation a bibliography of the intended presenter should be given in a maximum of 50 words.

PRESENTATION

The presentation should be send in before the 1st of August 2022.

POSTER

A poster should be send in digital to be printed on a A1 size paper.

CONFERENCE PLANNING

○ Call for papers	January 1st	2022
○ Deadline submission of abstracts	April 30th	2022
○ Evaluation abstracts for papers and speakers	April 30th	2022
○ Acceptance of papers, posters and speakers	May 1st	2022
○ Publication of the draft program	May 15th	2022
○ Receipt of papers and start final review	May 30th	2022
○ Publication of program	June 1st	2022
○ Publication of final program	July 1st	2022
○ Symposium handout ready	August 1st	2022

SCIENTIFIC STERRING COMMITTEE

(by alphabetical order)

○ Berthold Duthorm	○ Koos Agricola
○ Cengizhan Ozturk	○ Lars Ekberg
○ Conor Murray	○ Miroslav Tonosvki
○ Da Qian Wang	○ Myung Do Oh
○ David Ensor	○ Namik Yener
○ Dilek Sunar	○ Sheesh Gulati
○ Eric Stuver	○ Tim Triggs
○ Frans Saurwalt	○ Udo Gommel
○ Gordon Farquharson	○ Werner Straub
○ Haşim Solmaz	

SYMPOSIUM TIME SCHEDULE

7-10 OCTOBER

FRIDAY

TC209 WG MEETINGS

SATURDAY

TC209 WG MEETINGS

CONVENER'S MEETING

SUNDAY

TC209 PLEINARY
MEETING

TC209 DINNER

MONDAY

TC209 PLEINARY
MEETING

11-13 OCTOBER

TUESDAY

ISCC 2022

DAY #1

GALA DINNER

WEDNESDAY

ISCC2022

DAY#2

WORKSHOPS

THURSDAY

ISCC 2022

DAY#3

TECH TOUR/TRAINING

14-15 OCTOBER

FRIDAY

ICCCS COMMITTEE MEETINGS

ICCCS DINNER

SATURDAY

ICCCS CoD MEETING

AFTERNOON:
BOARD MTG

ISCC'22
